

Handwriting 2

EDITION COMPARISON

NEW

Updates

This edition reflects relatively minor changes from its predecessor, addressing minor corrections and refreshing images and design. No chapters have been added or removed, and no changes have been made to the scope and sequence.

Because of the minor scope of change, this edition is compatible with its predecessor.

3rd Edition

2nd Edition

Content Updates

- No critical content updates made for this edition.
- However, the retaining of cursive instruction may increase the product's appeal due to the return to mandatory cursive instruction in many states.

Special Features

- Precursive instruction that provides a proven stepping stone to cursive and aids in reading comprehension
- Systematic practice to improve student letter formation in both PreCursive and cursive, including alignment, word spacing, neatness, and writing rhythm
