If needing to administer Levels 9–17/18 together, please contact BJU Press by email at testing@bjupress.com or by phone at 800.845.5731 for advice.

BOLD Subtests are required for the **Core Composite**.

*These subtests are *optional* although the Directions mark them in bold as though they are required.

Times for Levels 5–8 are approximate and reflect minimum totals. Some extra time for breaks, instructions, and other needs should also be taken into consideration as testing sessions are scheduled. Levels 5 and 5/6 also have an extra 10 minutes of practice questions.

Students can receive Core and Complete Composite scores without taking Word Analysis and Listening. If these subtests are administered, however, the scores from these subtests **will count** towards these totals. Math Computation is optional and is not a part of any total or composite scores, even if taken.
